

Dear, Dominion Blue Team Members

In order to support your health and wellbeing, Dominion Blue offers a comprehensive employee benefit plan providing coverage for basic life, accidental death and dismemberment (AD&D), long term disability (LTD), extended health and dental benefits through our insurer, Sun Life. Each year Dominion Blue Reprographics negotiates the employee benefits renewal with Sun Life to determine the rates for the benefits for the coming year.

Organizations that provide employee benefit plans – including Dominion Blue – are facing increasing costs every year due to plan usage and rising costs of all services. The following provides information about this year's renewal and increases that will apply effective September 1, 2022. In addition, in order to help manage rising costs and ensure that we can continue to provide a comprehensive benefits plan, we want to advise you of the following plan change, also effective September 1, 2022:

Life and AD&D) insurance coverage

- The life insurance and AD&D coverage will be 1 times your annual earnings reducing from the current 2 times annual earnings for each of these benefits. Dominion Blue will continue to pay for the full premium cost of the Life and AD&D coverage.
- It is important to note that if you want to keep the full amount of life insurance that you currently have, you have some options
 - As outlined in your plan booklet, you can convert an amount up to 1 times salary to coverage under an individual plan with Sun Life. Conversion of coverage means that you do not need to provide evidence of good health to retain the coverage so this could be an option for any employee who may not otherwise meet the Evidence of Good Health requirement. In order to initiate this you can contact Sun Life at **1-877-893-9893** to apply for coverage and confirm your premium cost. Note that you have 31 days from September 1, 2022 to convert your coverage without having to provide Evidence of Good Health
 - You can explore other individual insurance options with Sun Life or other providers in the market

September 1 2022 renewal rate increases

As noted, plan costs are increasing. The following chart shows the premium rate increases that will apply for those benefits where Dominion Blue and employees share the premium. The new costs will be deducted from your September 30 2022 pay.

Plan	Premium Cost Sharing	September 1 2022 premium rate increases
LTD insurance	100% paid by you	No change; 0%
Health benefits	80% paid by Dominion Blue and 20% paid by employees	24.4%
Dental benefits	80% paid by Dominion Blue and 20% paid by employees	13.5%
